No. NGRI-7/6/2013

नोटिस / NOTICE

विषय / Subject: Recruitment of Assistant Engineer (Electrical) / Gr III(3) – Advt. No. 04/2017 reg.

In accordance with revised Recruitment Procedure notified, vide CSIR – NGRI Corrigendum No. NGRI-7/6/2013 dated 26-08-2019 all the candidates, shortlisted notified vide this office notice of even no. dated 23-07-2018, are hereby informed that the **Trade Test** will be held during 17 -19 September 2019 at CSIR – NGRI, Hyderabad-500007.

Candidates are required to register their names for the slot of their choice, subject to availability, to appear for trade test, on first come first serve basis, through the link available on CSIR-NGRI website www.ngri.org.in

This link will be active from 29.08.2019 to 11.09.2019.

An e-Admit Card will be generated after successful slot registration. Candidates have to bring the print out of the said e-Admit Card mandatorily for taking the Trade Test. No Separate Admit Cards/Hall Tickets will be send by post. No candidate will be allowed without slot registration for the trade test. Only one slot registration is allowed for each applicant and once the slot is registered, it can neither be cancelled nor changed. However, the Institute, subject to exigencies, reserves the right to alter the slot so exercised by the candidate.

Further, it may be noted that the Trade Test is qualifying in nature and the Written Test will be conducted separately at a later stage only for those candidates who will qualify in Trade Test, subject to other eligibility conditions.

The candidates are advised to go through the Exam pattern and Syllabus carefully available at CSIR – NGRI website.
