| 91 | 927 | 6202216781 | J Venkata Sai Adithya | 11.02.2023 | With reference to CSIR-NGRI Advertisement No. 6/2021 dated 01.09.2021, as per the point no 3(e) of page no. 3, it was stated that Permissible relaxation in upper age limit for Regular employees working in Government Departments / Autonomous Bodies / Public Sector Undertakings is mentioned as 05 years. In this regard, I have applied for the above designated post as per the advertisement as there was relaxation of 5 years for the Regular employees working in Government Departments / Autonomous Bodies / Public Sector Undertakings and the registration no. is 6202216781.The application along with the requisite documents is forwarded through proper channel by the competent authority of the present organization.(Copy Enclosed).<br><br>Now as per the point no.4 of the letter No. NGRI – 7/21/21-Rectt dated 02.02.2023, it states that The relaxation of upper age limit up to five years in respect of the regular employees working in Government Departments, Autonomous bodies and Public Sector Undertakings have not been considered in accordance with CSIR Letter No. CSIR/51(211)/2014-PD dated 11.05.2022 and listed out my name in the category of not shortlisted to appear for the Written Test by mentioning as overaged.<br><br>In this connection, I would like to infer<br><br>1. The criteria of short listing the candidates should have been adopted earlier and not after 14-15 months after the last date of submission of application.<br><br>2. The non-consideration of Permissible relaxation in upper age limit for Regular employees working in Government Departments / Autonomous Bodies / Public Sector Undertakings is mentioned as 05 years should have been informed to the candidates earlier not directly along with the list of shortlisted applications.<br><br>3. As there is a limit in forwarding of the applications (4 in Number per year) for the Regular employees working in Government Departments / Autonomous Bodies / Public Sector Undertakings, I have chosen the advertisement No. 6/2021 dated 01.09.2021 of NGRI instead of other opportunities available at that time as the concept of relaxation of age was highlighted in the Advertisement. | Overage | As per Screening Criteria point no. 4 no age relaxation is applicable. Hence, Overaged. |
