(2) M/s. Kartikay Exploration & Mining Services Pvt. Ltd., Nagpur	
1.	Please clarify the 'Tender date' with regard to formation of Joint Venture. Is it issue of Tender date (12.09.18) or Last date of tender submission (10.10.18).
2.	Whether a consortium or Technical collaboration between parties is also allowed in addition to a company or Joint venture.
	The Joint Venture should have been formed before date of bid submission. Joint Venture (or) Consortium is allowed. However, such Joint Venture (or) Consortium should meet the tender eligibility criteria stated, in addition to the following: Where the Tender is made by a Joint Venture (or) Consortium, the Tender shall specifically indicate the members of the Joint Venture (or) Consortium by whom and/or on whose behalf the Tender is being made and shall indicate with reference to each whether such member contributes directly to the work or not and, if so, to what extent he contributes to the said work. In the event of a person/firm who is not a member of the said Joint Venture (or) Consortium, details of name and address of such person/firm and shall be accompanied by valid proof of authority drawn in favor of Joint Venture (or) Consortium to bind such person/firm. • The tender shall be signed so as to be legally binding on all partners; • The tender shall include a copy of the agreement entered into by the Joint Venture (or) Consortium partners defining the division of assignments to each partner and establishing that all partners shall be jointly and severally liable for the execution of the Contract in accordance with the Contract terms. • One of the partners shall be nominated as Lead Member, authorized to incur liabilities, and receive instructions for and on behalf of any and all partners of the joint Venture (or) Consortium and

		• The execution of entire contract, including payment, shall be done exclusively with the Lead Member • The qualifications of each of the partners of a Joint Venture (or) Consortium shall be added together to determine the compliance with the minimum qualifying / eligibility criteria. • Each tenderer shall submit only one Bid, either individually or as a consortium. A bidder who submits or participates in more than one Bid will cause all the proposals with the Bidder's participation to be disqualified. • In case of Joint Venture (or) Consortium, the past experience of each partner in the area of work for which they assume responsibility in this tender must be clearly stated with supporting documents.
3.		JV with a foreign partner is allowed or not ? Allowed. However, for this reason no extension will be given for submission of tender.
4.		Whether registration of Joint venture is necessary ? Not necessary.
